

Consent Petition for the Proposed Annexation of the Little Gables Area into the City of Coral Gables

Dear Voter:

The City of Coral Gables is sending this petition form to all registered voters in the Little Gables area in order to document support for its application to Miami-Dade County for the annexation of your neighborhood. This will help us satisfy Miami-Dade County Code provision 20-3 (H) which requires signed support petitions from at least 20% of the registered voters in Little Gables be obtained and submitted with its annexation application. To help you make your decision, we have enclosed information about the cost of annexation to property owners, police and fire response, and other services the City will provide should annexation occur. A map of the Little Gables annexation area is also provided on the back of this sheet.

If you are in support of the City's annexation application, please sign the petition below and provide the other information requested. Then place the completed form in the enclosed self-addressed, stamped envelope, and mail back to us.

Thank you for your time in considering this request.

Petition Statement: "I am a registered voter in the Little Gables area which is proposed for annexation by the City of Coral Gables. I consent to the initiation by Coral Gables of the annexation process, as specified by the Miami-Dade County Code, for the Little Gables area located within the boundary roadways listed below."

North – SW 8th Street
West – Cortez Street
South – SW 16th Street
East – Salzedo Boulevard
