“

It appears as if this plan employs
Venetia Ave/Venetia Tr. as
sacrificial lambs. A circle of that
magnitude, while reducing speed,
appears to be a preparatory
measure for higher volumes of
traffic. This is unacceptable to residents.

Thank you for your comments.

Celebrating 90 Years as The City Beautiful

“

Traffic gauging has never
accurately been taken on Venetia
Ave. It was taken over a holiday
break once. If y'all station someone on
the triangle located @ Venetia &
Columbus (or just after) on a school/
work day it'd show incredible volumes
of traffic than speeds.

Thank you for your comments.

Celebrating 90 Years as The City Beautiful

② putting a NO-THRU sign on Mariana closer to Granada to prevent cars from illegally reversing or making a U-turn after they realize it's a dead end street.

③ A round about on Mariana & Alberca

④ close ~~the~~ Alberca St on SW 8th indefinitely & Granada Grove Et. Most other streets are already closed off.

⑤ install speed tables on Alberca Street between Venetia Terrace and Mariana. currently the plan only includes speed tables ~~on~~ bwn Mariana and SW 8 St.

② New park on Venetia ~~terrace~~ Ave. near Cordoba.

Need flashing speed signs that alert drivers that speed should be reduced due to park.
(9 kids under 6 live on my block!)

③ crossing Venetia Terr on Granada is especially dangerous bc. of the huge tree in the corner. Need more signs to alert drivers to slowdown.

Mr. Roos about the 819-
old ones on
S. Alhambra circle.

Ann Goodman
goodmanhomer@aol.com

③ can you install a speed cushion on Venetia Terrace between Granada and Alberca?
an additional speed table is needed further west on Venetia after ST3 in zone 1A. Remember that Venetia Terrace has no sidewalks and there is no stop for a few blocks between Tangier and Genoa St.

we call me if you want to discuss.

to SW 16TH Street (City Boundary)
HAS ^{PROPOSED} NEW traffic CALMING. Immediately
South NAVARRE HAS NO modifications
+ DRIVERS will be funneled
down Navarre to avoid these NEW
PROPOSED MEASURES.

Thank you for your comments.

metra Ave NEEDS
speed cushions. Traffic
has been bad on
636 po. and Milan.

The R1 proposal on country Club Prado
is not enough to calm traffic
that is cutting through in order
to avoid the back-up of cars
on SW 8th street turning on 57th ave
and vice versa. Our street has
become another highway to unload
traffic from 8th + 57 Ave. We need
speed tables to slow down the
speeder on our streets and
a stop sign on San Benito
and Country Club Prado.

Thank you for your comments.

that is being used as an
alternative
to 57 Ave

alert to drivers those efforts
do nothing but confuse the
weekend cars

La Mancha + Genoa = ~~Need~~
Something: Circle or
Cushion

Need speed cushion on
La Mancha b/w Columbus
+ Genoa

Need circle Madrid + La Mancha
" " Columbus + ~~Venetia~~
Terrace

Traffic enforcement !!!
and then calming devices
Milan ave needs a lot off these
Two thank you

Stop signs, crosswalks and
circles should be installed.
Drivers speed every day
and there is no police.
Supervision or enforcement.

Please Add traffic calming
on the 400 Block of NAVARRE.

Signs not allowing left hand turn
onto Ferdinand and Country Club Prado
for cars on SW 8th St during rush
hour are needed.

Rotundas are not calming traffic in
this area. Cars speed up when they enter
the rotunda. Some cars also drive
right over them. Rush hour traffic is
very aggressive. Speed tables do calm
traffic because cars need to slow down.

CB Celebrating 90 Years as The City Beautiful DC

“ Between STANB & GRANADA
on MILAN AVE. CARS GO
OVER 40 miles an hour and don't
stop either on Ferdinand or Madrid
stop signs. We need someone
to enforce the 25 MPH speed limit
and we need speed bumps betw
Granada & Madrid & Madrid and
Ferdinand on Milan Ave.
Thank you for your comments.

CB Celebrating 90 Years as The City Beautiful DC

Highly recommend installing
a roundabout on Canal Way
and Columbus - i.e. - Columbus Circle

Also a stop sign between
Madrid and Ferdinand would
reduce the traffic speed.

A sign on 57th ave and Milan
"Right turn only" would keep
~~the~~ tremendously.
