As a condition of issuance of a Special Event Permit, the City Manager or designee shall require the applicant to furnish financial security to ensure compliance with all permit conditions, including but not limited to restoration of public property, payment of fees, and coverage of potential damages. The required security may be satisfied by posting either (a) a refundable cash deposit with the City, (b) a surety bond issued by a surety company authorized to transact business in the State of Florida, or (c) an irrevocable letter of credit, in a form acceptable to the City Attorney. The City shall have the right to draw upon such deposit or bond in the event of noncompliance, damage, or unpaid costs attributable to the permitted event. Upon satisfactory completion of the event and fulfillment of all permit obligations, the deposit shall be refunded, or the bond released.

**Deposit/Bond Amounts by Event Size:**

1. Small Events – Fewer than 500 attendees, limited use of public property, and minimal City services required: \$1,000. City Manager or designee may waive deposit or bond requirement for small events based on scope or

size of event’s potential for damages to city property.

2. Medium Events – 500 to 5,000 attendees, moderate use of public property, road closures, amplified sound, or need for City staffing: \$7,500.

3. Large Events – Over 5,000 attendees, extensive use of public property, significant City staffing, or high-impact infrastructure needs: \$12,500, or greater as determined by the City Manager or designee based on event risk and complexity.

4. Major or High-Risk Events – Events involving regional or national audiences, pyrotechnics, alcohol sales, parades, or activities presenting elevated safety or liability risks: \$25,000 or more, as determined by the City Manager or designee.

**Adjustment Clause:**

The City Manager or designee may increase or decrease the required deposit or bond by up to twenty-five percent (25%) within each tier, based on a risk assessment of the event. Relevant factors include, but are not limited to, event duration, presence of alcohol, use of fireworks or pyrotechnics, anticipated impact on traffic and public safety, history of compliance by the applicant, and overall risk to public property and infrastructure.

**Form of Security:**

The applicant may elect to provide either a cash deposit, a surety bond, or an irrevocable letter of credit subject to acceptance by the City Attorney.
