

CITY OF CORAL GABLES

--MEMORANDUM--

**TO:** Mayor and City Commission  
City Manager, Peter Iglesias  
Assistant City Manager, Eduardo Santamaria

**FROM:** Vice Mayor Vince Lago

**DATE:** April 25, 2019

**SUBJECT:** Carlos S. Kakouris Park

---

As many you know, Carlos S. Kakouris Park is located on the corner of Campo Sano Avenue and Court. Over the last few months, I have spoken to many of the residents who reside near Kakouris Park who have expressed a desire for it to remain a passive park and would like to see minor upgrades such as new benches and improved landscaping.

My office will be adding this item on the May 14, 2019 Commission Meeting agenda and I would like staff to provide a response to these concerns during that time.
