Help Keep Your Children Safe Get Your C.A.P.A. Sign Today!
CHILDREN AT PLAY AWARENESS
Communities across the nation have wrestled with traffic and speed issues along neighborhood streets in an effort to preserve and enhance quality of life and also protect those “littlest citizens” that are busy at play in their front yards. Children awareness (C.A.P.A.) is a program offered by the City of Coral Gables to allow parents and/or caregivers to purchase and place authorized City-issued signs in the ground area of their property while children are actively playing in the front yard. Coral Gables residents may purchase two “Children At Play” signs by visiting the Coral Gables War Memorial Youth Center at 405 University Drive, Monday through Friday, 8:00 a.m. - 8:00 p.m. The cost of the signs is $6.50/per sign. Each City-issued sign is numbered for verification purposes.

REFUND POLICY
Refund requests must be made, in writing, 7 days prior to the start of the registered program/activity date. There will be no refunds issued when a request is submitted with less than a 7 day notice. Requests for emergency medical reasons will only be accepted with proper documentation. Approved refunds will be assessed a $15 processing fee and any applicable program/camp/activity costs. Refunds will not be issued after the completion of the program.
The Community Recreation Department online registration system is mobile-friendly and allows for from-home and on-the-go registrations. Users can register and renew classes, sign up for memberships, make court and rental reservations, obtain tickets for the Venetian Pool, among other convenient features.

**Online registration** is only accessible to households that have active accounts. Visit the registration office to create your household account today!

See documents required for registration on page 11.

In the last few years, the City of Coral Gables has been busy completing several Community Recreation projects for our Coral Gables residents. Whether it is the construction of completely new park spaces such as Betsy Adams and Coral Gables Garden Club Park, renovations of existing recreation features like the Youth Center playgrounds and fitness trails or large facility projects including the Granada Golf Course or William H. Kerdyk Biltmore Tennis Center, the City continues to enhance the quality of life for our residents through improvements to our Community Recreation system.

Perhaps the most important project for the Community Recreation Department is one we are beginning this year, and we need you – our Coral Gables residents – to help us! We have begun the process to create a new Community Recreation and War Memorial Youth Center Master Plan. This document will be the roadmap as we look at our long-term plan for recreation facilities, parks, amenities and initiatives that will further enrich the lives of our residents. A long-term plan of this magnitude should not be done without extensive input of the community, and we intend to get as much input as possible to help shape our recreational offerings.

The way you can help is to participate and give us feedback! The City will be hosting five different workshops from May 7 – May 11. We hope you will attend one of these workshops, so we can hear your interests, needs and wishes for your recreation system. In addition, a scientific survey will be conducted among residents. These surveys will be extremely helpful in determining factors in our plan, so I kindly ask that you assist us if you are contacted as part of this process. If you are not contacted, these surveys will be also made available in our facilities. Lastly, we will be conducting several focus group interviews on dedicated sections of our recreation program. Please contact the Community Recreation office at 305-460-5620 if you are interested in participating in a focus group in the following areas: Special Populations, Aquatics, Events, Golf, Tennis, Athletics, Parks, Waterways, and Bike/Walk activities.

With your help, we will be able to complete a Master Plan that will accurately reflect the vision of Community Recreation in Coral Gables for the next 20 years.

Sincerely,

Fred Couceyro, CPRP
Community Recreation Director
