

Silly Snake Crafts

Materials

- Hot glue
- Markers
- Popsicle sticks
- Googly eyes
- Scissors
- Pipe cleaner

Directions:

- 1) Take popsicles sticks and color them with markers. Allow them to dry for a minute or two.
- 2) Carefully using the hot glue assemble at least 3 popsicle sticks together and the ends. You can add more sticks to make your silly snake bigger.
- 3) Cut the tips of two popsicles sticks and glue them at one end of the silly snakes body.
- 4) Once dry glue the googly eyes on the face of the snake you just assembled.
- 5) Cut a piece of a red pipe cleaner and glue it as the tongue of your silly snake. And done!
