

Cereal Box Basket Art Project

Materials:

- Cereal Box (2 boxes, 1 larger, 1 regular size)
- Glue or Double Sided Tape/ Stapler
- Ruler
- Marker
- Scissors
- Binder Clips or paper clips

Instructions for Basket:

- 1) Use the marker to mark the height of your cereal box. Mark a line 6" from the bottom of the cereal box.
- 2) For the handle of the basket, mark a line 1.5" on the sides. Leave flaps on cereal box.
- 3) Next slow and steady, begin to cut on the marked areas using scissors. Remember to leave the flaps of the box on the strips of the handle.
- 4) Overlap the flaps to form the handle. Place binder clips so handles hold together while you glue it, staple or tape it. If using glue leave binder clips on handle as it dries.

Instructions for decorating:

- 1) Cut very thin strips from the regular sized cereal box to put inside your basket as the stuffing.
- 2) Using whatever you have at home you can decorate your basket! 😊
Examples: construction paper, markers, stickers, ribbons, paint, etc.
