Re: University Drive Proposal of Sidewalks

Dear Resident:

The City of Coral Gables Public Works Department has been working to provide installation of sidewalks on University Drive where they do not currently exist. We met over a year ago to discuss the process and followed up with official balloting. Residents on both sides of University Drive between Bird Road and Blue Road voted in favor of sidewalks in front of their properties. We invite you to attend a follow-up meeting to discuss the proposed improvements.

The meeting will take place: Wednesday, March 21st from 6:00 to 7:00 p.m located at 405 University Drive, Coral Gables War Memorial Youth Center.

We appreciate your continued participation.

Should you need further information, please feel free to contact Mark Brown, Senior Multi-Modal Engineer, at (305) 460-5049.

Sincerely,
