THE CITY BEAUTIFUL

A GUIDE TO THE CITY BEAUTIFUL

THE CITY BEAUTIFUL

Coral Gables' founder, George E. Merrick, imagined both a "City Beautiful" and a "Garden City," with lush green avenues winding through a residential city, punctuated by civic landmarks and embellished with detailed and playful architectural features. Today, Coral Gables stands out as a planned community that blends color, details, and a Mediterranean architectural style; it's a rare pearl in South Florida.

Early city planners and visionaries were influenced by the aesthetics of the City Beautiful Movement that swept across America in the early 1900s which encouraged the use of wide tree-lined avenues, monumental buildings, winding roadways, green space, ornate plazas, and fountains. All these elements of style have been and continue to be incorporated throughout the City.

The City's distinct tropical beauty is being enhanced by Fairchild Tropical Botanic Garden's Million Orchid Project, an ambitious initiative that is reintroducing one million native orchids to street trees in Miami-Dade County, including more than 250,000 in the City Beautiful. Thanks to the City's Tree Succession Project, the planting of approximately 3,000 new trees is now complete. The City continues to invest in its green canopy. The Landscaping Division has planted more than 270 new trees citywide on City swales and public green spaces to provide additional shade and environmental benefits. This includes the North Ponce neighborhood where more than 70 new shade trees were planted, and the Gables by the Sea Neighborhood where more than 50 new shade trees were planted.

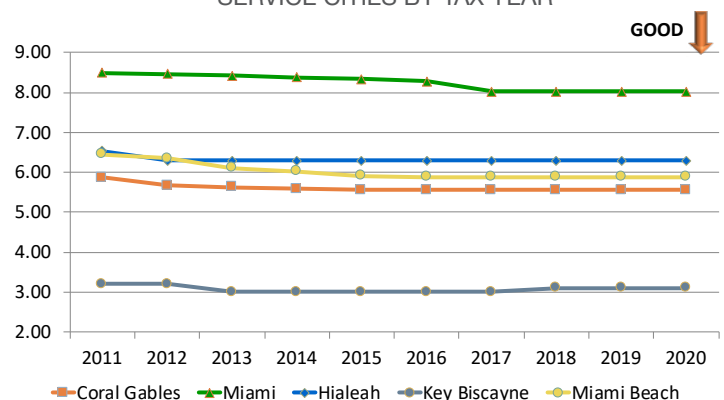

ECONOMIC OVERVIEW

The Coral Gables economy is comprised of local and international businesses, but unlike other parts of Florida, it is not influenced by seasonal shifts. Because of its strong municipal services, high quality of life, convenient access, responsible growth and a diversified economy, Coral Gables continues to be a highly desirable location for domestic and international investment.

The City of 51,000 residents is also centrally located with easy access to key destinations. Coral Gables is a short drive from Miami International Airport and PortMiami, two of the largest passenger and cargo hubs in the nation. In addition, the city is 35 miles from Ft. Lauderdale-Hollywood International Airport, and Port Everglades. A vintage-style trolley connects many of the commercial districts to Metrorail, the region's elevated rapid transit system that connects the city to Downtown Miami in just minutes.

Coral Gables is one of the premium office markets in South Florida with more than 11.5 million square feet of prime office space. The City's total tax-assessed value is \$18.1 billion. It is also an ideal place for corporate officers and employees to live and work. The City offers multiple venues to entertain clients, world-class restaurants, first-class hotels, rich cultural offerings and a broad range of retail establishments.

CORPORATE CAPITAL OF THE AMERICAS

With an international professional population and ease of connectivity to the world, a Coral Gables address means being at the center of a dynamic business environment. The City serves as a gateway to Latin America. In fact, most of the City's multinational companies serve as the headquarters for Latin America. Among the industries found in Coral Gables are wealth management, health care, biomedical research, spirits, travel and tourism, and real estate.

BUSINESS FRIENDLY ENVIRONMENT

Coral Gables is recognized for its commitment to enhancing its business-friendly environment. The City was recently ranked the third top small city in the country to start a small business by Verizon's partner company, Go.Verizon.com. The City's strong financial climate, highly skilled workforce, commute times, and income per capita were among the key factors that contributed to the distinction.

The City's pro-business tax climate means business dollars go a lot farther in Florida as well; for example, limited corporate taxes and no state/local personal income tax. Great weather, recreational opportunities, convenient access to global markets and a highly educated talent pool makes Coral Gables the right choice.

INVESTING IN CORAL GABLES

Coral Gables is one of only three cities in Florida - and the only one in Miami-Dade County - with three 'AAA' bond ratings from Fitch Ratings, Standard & Poor's, and Moody's. Conservative fiscal management, responsible debt policy, and a strong but diverse economic base are some of the key factors that contributed to the very positive ratings. Its strong financial position means the City can continue to provide superior services and amenities, while continuing to invest in its infrastructure... all great reasons to invest and do business in the City Beautiful.

REAL ESTATE MARKET

High quality schools, responsive municipal services and the thoughtful integration of the built and natural landscape make the City Beautiful a much sought-after address. According to Realtor.com, the average market value of a home in Coral Gables is \$977,000. There were an estimated 17,921 households in 2019 and median household income of \$100,843, compared to \$51,347 countywide. Homes in Coral Gables range from quaint historic cottages to waterfront estates valued upwards of \$45 Million.

Approximately 65 percent of Coral Gables' residents 25 and older have a bachelor's degree, and approximately 25 percent also have a graduate or professional degree, about three times the countywide rate of 7.2 percent. In addition, Coral Gables is home to many excellent academic institutions.

COMMUNITY AND CONVENIENCE

As South Florida's first planned community, Coral Gables is a green oasis in the heart of one of the nation's largest metropolitan areas. The 13-square-mile City is well known for its lush, elegant surroundings, more than 40 miles of waterways and coastline and stable residential neighborhoods. Its climate is mostly sunny year-round with temperatures ranging from an average annual high of 81 degrees Fahrenheit to a low of 60.

Walk, bike or drive around the City Beautiful and you will experience a vibrant, community which is proud of its past with a vision towards a modern future. A walk-through town makes it clear why the Wall Street Journal named Coral Gables "the sixth most walkable suburb in the United States." Night and day, the City's Downtown is bustling with pedestrians who have easy access to hundreds of restaurants and an abundance of shops, many within walking distance of the downtown business district. The variety and convenience of these amenities is a significant benefit for employees who use personal and professional services during lunch, or before and after work hours. The City's many cultural offerings are also attractive to a growing creative class. Rand McNally and USA Today ranked Coral Gables as one of the six most beautiful towns in America, and in 2013, LivCom ranked Coral Gables among the five most livable communities of its size in the world.

Downtown Coral Gables has been reenergized with the completion of a streetscape project on Miracle Mile and Giralda Plaza, the City's central shopping and dining areas. Both streets were designed to enhance the pedestrian experience. On Miracle Mile, the improvements included an artistic design using pavers, widened sidewalks to accommodate outdoor dining, beautiful landscaping with unique seating areas and a curbsless street. On Giralda, unique paver designs, a focal lighting system and a curbsless street add to the outdoor dining experience. The City has closed Giralda to vehicular traffic to create a vibrant and eventful area, perfect for public art.
