

The Coral Gables

GOLF & COUNTRY CLUB

*Historic Venue in the
Heart of Coral Gables*

Welcome to the Coral Gables Golf and Country Club

The Coral Gables Golf and Country Club is a historic venue located in the heart of Coral Gables and an illustration of the City Beautiful movement.

Built in 1922, this iconic landmark was the first public facility built in Coral Gables designed to entertain prospective buyers from its distinctive tower while large crowds gathered and danced to music of renowned band leaders.

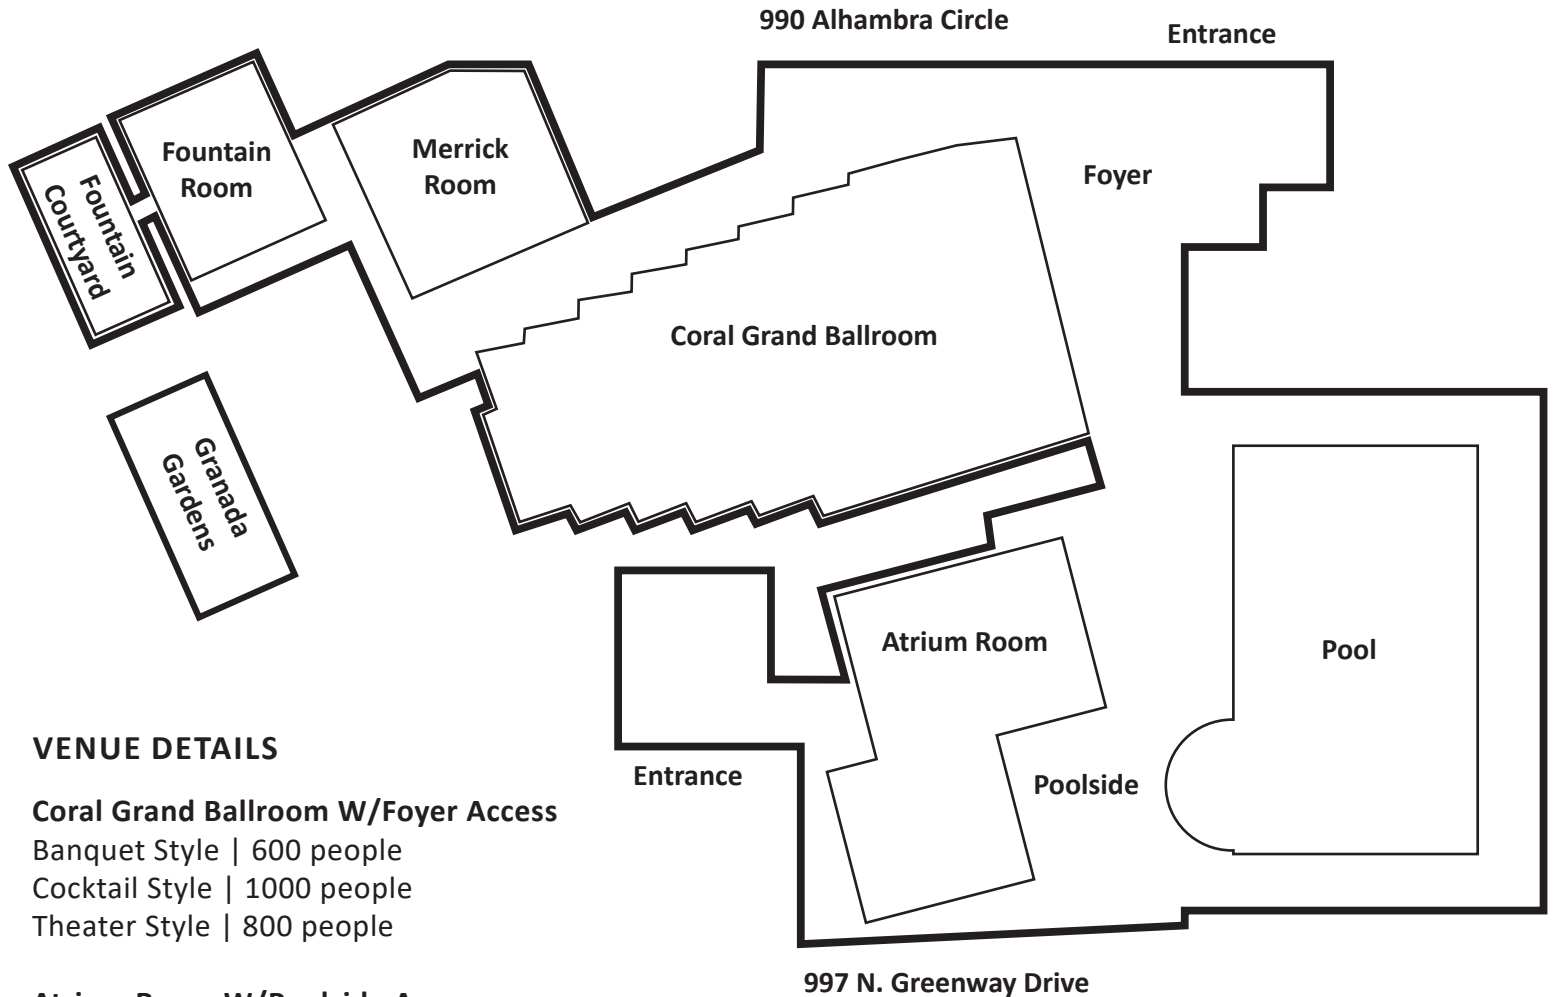

Today, this 40,000 square foot facility gracefully blends the traditional Mediterranean style of the exterior façade with classical interior finishes found throughout the elegant Coral Grand Ballroom and three similarly appointed event spaces.

Each space is unique and features elements of luxury and sophisticated elegance including stunning crystal chandeliers, impressive black marble foyers, rich Brazilian cherry hardwood floors, ornate Italian marble columns, and cornice moldings.

Whether planning an intimate gathering or an extravagant gala, the Coral Gables Country Club offers unsurpassed elegance in a variety of stunning indoor and outdoor settings to host a one-of-a-kind event.

In celebration of the Coral Gables Golf & Country Club's centennial anniversary, the venue has been restored and reopened for the community and future generations to enjoy, a testament to the 1921 city plan developed by Coral Gables founder and visionary George Merrick.
