RE: Legal Opinion Regarding Garage Sale Permits

Date: November 19, 2015

Pursuant to section 2-201(e)(1) and (8) of the City Code, as well as section 2-702 of the Zoning Code, it is my opinion and interpretation that the City Manager has the discretionary administrative authority to allow a non-recurring event of this nature (i.e. civic organization raising money for a free dental clinic) during the hours mentioned. *See* CAO 2013-011. I would also note that the proposed event would be complete before the noise ordinance restrictions take full effect (11pm on Sunday through Thursday; midnight on Friday and Saturday).

Tony,

In response to your inquiry, and pursuant to section 2-201(e)(1) and (8) of the City Code, as well as section 2-702 of the Zoning Code, it is my opinion and interpretation that the City Manager has the discretionary administrative authority to allow a non-recurring event of this nature (i.e. civic organization raising money for a free dental clinic) during the hours mentioned. See CAO 2013-011. I would also note that the proposed event would be complete before the noise ordinance restrictions take full effect (11pm on Sunday through Thursday; midnight on Friday and Saturday).

Please let me know if you have any questions.

Best regards,
Craig

Yes, as the CM, I recall that she has authority to approve the event on a one-time basis, particularly as it is a civic organization and the money is for a free dental clinic. I will send a short opinion to follow, but wanted to let you know now.

Craig: we need your opinion on whether the City Manager has the authority to amend the hours of operation on a garage permits. As the code now reads the hours of operation are from 9 to 5. We need to know if she may amend to different hours say

from noon to 8:00 PM.

A little background the Coral Gables Woman's Club wants to hold a bazar to raise funds for their free Children's Dental Clinic. We thought that a garage sale permit was the best way to handle this fundraising sale. They want to operate outside of our garage sale hours so this is where I need your opinion. As always thank you for your assistance on everything.
