Dear Property Owner,

Section 8-107(G) of the Coral Gables Zoning Code states that “All demolition permits for non-designated buildings and/or structures must be approved by the Historic Preservation Officer or designee. The approval is valid for eighteen (18) months from issuance and shall thereafter expire and the approval is deemed void unless the demolition permit has been issued by the Development Services Department. The Historic Preservation Officer may require review by the Historic Preservation Board if the building and/or structure to be demolished is eligible for designation as a local historic landmark or as a contributing building, structure, or property within an existing local historic landmark district. This determination of eligibility is preliminary in nature and the final public hearing before the Historic Preservation Board on Local Historic Designation shall be within ninety (90) days from the Historic Preservation Officer determination of “eligibility.” Consideration by the Board may be deferred by mutual agreement by the property owner and the Historic Preservation Officer. The Historic Preservation Officer may require the filing of a written application on the forms prepared by the Department and may request additional background information to assist the Board in its consideration of eligibility. Independent analysis by a consultant selected by the City may be required to assist in the review of the application. All fees associated with the analysis shall be the responsibility of the applicant. The types of reviews that could be conducted may include but are not limited to the following: property appraisals; archeological assessments; and historic assessments.”

Therefore, please be advised that after careful research and study of our records and the information you presented the following information has been determined:

1155 Blue Road, Tract 5 legally described as Riviera Country Club PB 46-15 TR 1 to 5 Inc. & Miami Biltmore Fold Course bounded by BLKS 90-93, 96-97-11 of CGCC Sec 5 per PB 23-55 & Str of Land Shown as Biltmore Golf Course of CG Riviera Section 4 per PB 25-47 & Lots 10 thru 14 & that Portion of Ave. Medavia Lyg E & adj. to Section 5, as recorded in Plat Book 23, Page 55 of the Public Records of Miami-Dade County, Florida., *does not meet* the minimum eligibility criteria for designation as a local historic landmark. Therefore, the Historical Resources staff *will not* require review by the Historic Preservation Board if an application is made for a demolition permit.

This letter is a reissue of the previous letters dated June 6, 2017. Please note that, pursuant to Section 14-107.5(b)(15) of the Coral Gables Zoning Code, this determination does not constitute a development order and is valid for a period of eighteen (18) months. In the case where the Historic Preservation Officer or designee determines that the property does not meet the minimum eligibility criteria for designation, a permit for the demolition of the property must be issued within the eighteen-month period.

Upon expiration of the eighteen-month period, you will be required to file a new application. Any change from the foregoing may be made upon a demonstration of a change in the material facts upon which this determination was made.

If you have any further questions concerning this matter, please do not hesitate to contact this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Anna E. Pernas".

Anna E. Pernas,
Historic Preservation Officer
