FLOW TEST PERMIT APPLICATION

Instructions: Must obtain a "Hydrant Flow Test" permit from our permit portal at www.coralgables.com. Complete and upload this application, and a **site plan (google maps)**. Indicate the locations of both the flow hydrant and the residual hydrant. The fee for the hydrant flow test is \$350.00. Upon reviewing the uploaded documents an invoice will be generated/emailed to the applicant. The hydrant flow test will then be accomplished. Once payment has been made the flow results will be available for viewing/printing on the permit.
