HYDRANT USE PERMIT APPLICATION

Instructions: Must obtain a “Hydrant Use” permit from our permit portal at www.coralgables.com. Upload this completed application, a site plan (google maps) and indicate the hydrant location. The fee for a “Hydrant Use” permit is \$1,850 (\$350 permit fee + \$1,500 deposit). Upon reviewing all documents an invoice will be generated. ****IMPORTANT**** When the hydrant is no longer needed, send an email to fireprevention@coralgables.com requesting a refund for the \$1,500 deposit. The fire department will then conduct a full inspection of the hydrant to ensure the hydrant was not damaged during its use. If the hydrant is found to be in good working condition you will need to complete a permit refund request form. The refund for the deposit may take up to 30 days to be issued.
