The Procurement Division advertised IFB 2025-025 Transmission Repair & Maintenance Services on July 7, 2025. A total of forty-two (42) prospective bidders were notified through INFOR, the City's web-based e-procurement system. On August 18, 2025, a total of two (2) responses to the IFB were received by the following firm: Alonso Transmission, Inc. and Palmetto Ford of Miami.

The responses were reviewed by the Procurement Division to determine responsiveness to the requirements of the IFB and to identify the lowest priced bidder. Once this step was completed, the Public Works Division conducted a review of the submittals identified by Procurement and found the bids to be in conformance with the City's bid requirements.

The Procurement Division finalized its due diligence process and confirmed that Alonso Transmission, Inc. is both responsive to the requirements of the IFB and a responsible bidder. As such, my recommendation in accordance with Section 2-763 of the City Code entitled "Contract Award", for award of the subject IFB is as follows:

- 1) Accept the recommendation to award Alonso Transmission, Inc., the lowest responsive and responsible bidder, to provide transmission repair services on an as-needed basis.
- 2) Execute a contract with Alonso Transmission, Inc., in the estimated annual amount of \$30,000.00 for three (3) years, with two (2) one (1) year renewals.

A copy of the IFB, bid response, evaluation results and the department's concurrence are provided as part of this memo.

Your approval of this recommendation is being requested. Please contact me should you have any questions.
