

CITY OF CORAL GABLES

June 18, 2026

MAYOR
VINCE LAGO

Dear Mayor Joissains,

Thank you for your letter and for sharing the City of Aix-en-Provence's inspiring vision to join the UNESCO Creative Cities Network in the Digital Arts category for 2027.

On behalf of the City of Coral Gables, I am pleased to express our support for your candidacy. We commend Aix-en-Provence's commitment to advancing creativity, innovation, and international cultural cooperation through initiatives such as Villa Lily Pastré and the Manufacture Immersive. These efforts reflect the important role that arts, technology, and education play in fostering sustainable and inclusive communities.

Coral Gables shares your belief in the transformative power of culture and innovation and values the longstanding friendship between our cities. We appreciate your recognition of our local cultural, academic, and innovation ecosystems and welcome opportunities to explore future collaborations in the fields of digital arts, education, research, and creative industries.

We wish Aix-en-Provence every success in its application to the UNESCO Creative Cities Network and look forward to strengthening the ties between our communities in the years ahead.

Please accept my best wishes and highest regards.

Sincerely,

Vince Lago
Mayor, City of Coral Gables
