

City of Coral Gables Implementing Order of the City Manager

Implementing Order No.: 2020-5 **Title:** Relocation of Trash Pits on Major Streets

Ordered: 12/15/2020 Effective: 12/15/2020

AUTHORITY: Ordinance No. 2020-34; Coral Gables City Code CHAPTER 54, "SOLID WASTE," SECTION 54-146.

PURPOSE

The purpose of this Implementing Order is to establish a process for the relocation of trash pits on city swales on certain major streets.

APPLICABILITY

This Implementing Order applies to all homes that have a trash pit located along Red Road, Bird Road, Coral Way, Miller Road, Kendall Drive, Sunset Drive or Old Cutler Road, that have a second street frontage on a road not mentioned above.

EDUCATION PERIOD

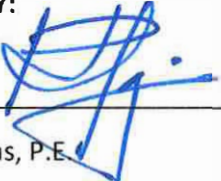

Following the passage of Ordinance No. 2020-34, the City shall have an education period from December 8th- March 5th to inform and educate affected residents of the requirements of Ordinance No. 2020-34. The educational campaign will be conducted through the Communications Department in close collaboration with the Public Works Department, Sanitation Division. The City will utilize social media, the City's website, and print materials, as deemed appropriate by the Communications Department, to effectively communicate with residents who will be directly impacted by Ordinance No. 2020-34.

In addition, the Public Works Department will conduct site visits to all affected residents as part of the education campaign. In cases where physical contact is not made, a letter will be posted explaining the requirements of this Code amendment, providing contact information should residents have questions regarding the requirements, and encouraging residents to reach out to the City should they require assistance relocating their pit.

ENFORCEMENT PROCESS

Beginning on March 8, 2021, any properties that have not properly relocated their pit in accordance with Sec. 54-126 of the City Code, will be subject to Code Enforcement action.
