

Earth in Your Hands Craft

Materials:

- paper plate
- skin toned construction paper
- blue and green paint
- red or pink construction paper
- glue stick
- paint brushes (or finger-paint)
- scissors

Directions:

1. Use your fingers or paint brushes to paint different parts on the paper plate green and then paint the rest of the spots with blue paint and let dry.
2. Trace your hands onto the piece of skin tone paper and cut them out.
3. Glue the palm of your cut-out hands onto each back side of the plate and glue the fingertips on the front of the plate.
4. Then glue the fingers over on to the top of the plate.
5. Cut a heart from the red/pink paper and glue to the center of your Earth plate.
